Jeremy,

No problem we are still within the cancellation policy. For August I am already booked, but I may have an opening the week of August 22. Let me get back to you.

Alicia,

We are looking to change the audit date again as we will not be quite ready until August. Based on the August dates you provided in your earlier email, we would prefer to have the audit in August (on the 19<sup>th</sup> or later). Please let me know.

We will still prefer to have it in July if and when the spot opens up, other than that, August 4<sup>th</sup> will be our pick.

While we would like to take the spot that may open up in July, what else do you have in August?

Right now July is fully booked, but I may have a cancellation on July 15. Let's give it until the end of this week Friday and see if it opens up. It will give me a chance to see if there are any other dates available also.

Hope you are doing ok.

Alicia,

The audit will be for the 310 Northern Avenue facility. We are thinking that a July audit will be more realistic for us, do you have available audit dates?

Here you go.

Ok, so Northern Ave will still be inspected on June 10. Please confirm.

Alicia,

The electronic audit report for the Fresh center is the one. CHS facility has remained closed until further notice.

We are still planning on having June audit of the Fresh center facility only.

For which facility do you want the electronic copy?

Jeremy, I am very sad to hear about Brian. There is never anything to say after a tragic accident, I just hope he is in a better place looking down on all of us. How are you doing?

With that being said, do we still want to have our inspections in June?

We have the hardcopy of the audit report, could you send the electronic version?
